Re: Letter of Warranty

Dear reader,

CCG Group prides itself on the quality of our workmanship and guarantees an excellent finished product with our 2 year installation warranty that we provided to all of our customers.

Our two year warranty covers factory defects or problems with the installation of the product. We will not service or replace under warranty any broken or damaged products where the damage has noticeably been caused by the user.

To file a ticket for warranty services please contact our office in Kelowna at (778) 721-0956.

Best regards,

Matt Voth
